

Artist 16 Drawing Display (2nd Gen)

New Artist, innovative drawing display with X3 chip stylus

POWERED BY

X3

X3 smart chip stylus
Sharp, Stable, Precise.

X3 smart chip stylus, sparks more creativity under your brush

The stylus flows faster than your inspiration.
3 grams* IAF and 0.6 mm* retraction distance
for faster response.

No spring part, anti-interference and steady performance;
more precise positioning, never miss a single brushstroke.

Natural color display for natural creation

With a wide color gamut of 127% sRGB*, the new Artist
brings a vivid visual experience with brilliant colors and
delicate details even in a dark night.

Full lamination is applied to the pen display to
minimize parallax and provide more accuracy for a
natural drawing experience.

Trendy colors. Pick yours

4 Trendy colors for your choice. Every of them is
selected, to express the real you.

Color yourself, showcase your personalities in
different ways.
